JOIN US FOR A SPECIAL POST-NATIONAL INJURY PREVENTION DAY

Fireside Chat

November 20, 2025 | 2:00 – 3:00 PM ET

Following National Injury Prevention Day, join us for an engaging conversation exploring the impact and importance of observances like NIPD in today's challenging public health landscape.

This fireside chat will delve into how collaborative efforts can mobilize injury prevention professionals and strengthen partnerships throughout the year. Our expert panel will share insights on turning awareness into sustained action, building stronger connections across sectors, and amplifying the collective impact of injury prevention work.
